Tungkol sa Marcos Martial Law Readings

Ito ay proyekto ng People for Accountable Governance and Sustainable Action-PAGASAph, at aming Demokrasya project para sa Halalan 2022.

Ito ay isang volunteer-driven, research-based na pagkilos para mailagay sa iisang lugar ang impormasyong nasa mga libro at sa internet patungkol sa gobyerno ni Ferdinand Marcos at ang ninakaw ng pamilya Marcos na yaman sa kaban ng bayan, at paglabag sa karapatang pantao. Narito ang mga libro, papel, sanaysay, news article, mula sa mga publikasyon sa Pilipinas at sa ibang bansa. Naka-save ang mga ito bilang PDF file para mas madaling basahin. Ang mga source ay nasa dulo ng note na ito, at may URL rin sa file mismo ng website kung saan nakuha ang bawat isa.

Kung mayroon kang gustong idagdag na impormasyon—litrato, article, sanaysay, libro—maaaring mag-email sa demokrasya2022@gmail.com. Pakipadala na rin sa team@pagasaph.com para siguradong makukuha namin ang iyong padala.

Maaaring ma-download ang buong folder na ito habang may internet ka, at i-save ito sa iyong Gdrive o computer para basahin kapag may oras. Mayroon ring zip file para mas madaling ma-download ang lahat ng file.

Hinihikayat ang lahat na gumawa ng materyales o content base sa mga babasahin sa folder na ito. Mahalagang patuloy nating mapagusapan ang nangyari sa rehimeng Marcos at ginawa ng pamilya Marcos sa bansa, lalo na para sa henerasyon at mamamayan na hindi na ito naaalala o naiintindihan. ***

About Marcos Martial Law Readings

This is an initiative of People for Accountable Governance and Sustainable Action-PAGASAph, and its Demokrasya project for the 2022 elections.

This is a volunteer-driven, research-based practice, that seeks to gather existing information available online and beyond on the Marcos's ill-gotten wealth and human rights violations. This includes, but is not limited to books, papers, essays, news articles, from local and foreign sources. Everything is saved as PDF files for easier reading. The list of sources are after this note and is updated as this folder is updated. Each article also includes the URL of the site where we got it.

If you have additional information—photographs, articles, essays, books that you'd like to share please send it to demokrasya2022@gmail.com and cc to team@pagasaph.com (for safety).

The goal is to allow everyone interested to go on the drive, download its contents while they have internet, and just save it to their computers or Gdrive for later reading. There is also a zipfile with all the content so far.

Everyone is encouraged as well to create content based on these materials, that will capture the attention of those who might not know much about Martial Law and the Marcos regime, but seek to understand it better.

Marcos's Fake War Record
File No. 60 Marcos' Maharlika files from the US National Archive. These documents and correspondences show Ferdinand Marcos's push to be recognized as the commanding officer of a guerilla unit called "Ang Mga Maharlika" during World War II.

His requests were refused by the Philippine-Ryukus Command, calling his claims "fraudulent" and a "malicious criminal act."

Marcos correspondence and documents on war record date from August 1945 to March 1948.
